Bruce,

We heard back from the Secretary's office late yesterday and they have been unable to locate the requested files in all of the bins where post-election information is returned from counties. If Fulton has some more details about the delivery of those files, that may assist the search, but the Secretary has not been able to locate the requested files.

As to the order, we don't believe this is the proper vehicle under Georgia law to get the requested documents (see OCGA 21-2-500) but don't see that we as the State Defendants have a role in this dispute between the Coalition and Fulton.

Thanks,

Bryan

David and Bryan,

Marilyn stayed in town the weekend after our November 19 hearing in order to meet with David Lowman and Fulton staff to arrange to obtain the requested files that were subject to the discovery dispute. David and his clients stated that they had delivered a copy of the Recount Election Project files to the Secretary's office after the election and requested that we could obtain the records more promptly given that Fulton in the middle of an election. We have been unable to get any responses since that meeting 10 days ago, other than the response from Bryan saying that the Secretary's office would check again for the Election Project Files.

We will be filing the attached proposed order tomorrow if we have not heard from you by noon that you object to the terms of the order. It is imperative that Coalition experts be given a fair opportunity to analyze these basic election records, most of which have been requested repeatedly since May.

Thanks,

Bruce

Bryan,

Have you had a chance to ask your client about these files?

We really need to let our experts work with them.

Thanks.

Subject: Fulton Election Project Package for 2020 Recount

Counsel,

David Lowman and Fulton staff and I met today to sort out some of the outstanding document discovery. Plaintiffs have not received the Fulton Recount Election Project Package requested back in the spring. The original count package was produced by SOS, I believe. Fulton staff says a recount package copy was delivered to the SOS in December. Given that they are in the middle of an election, it will take several days for Fulton to reproduce a copy of the recount election project package. We agreed that Coalition Plaintiffs would make the request again to you, and request that you ask your client to look for those files. Please let us know whether your clients can locate them promptly and we will figure out the most efficient deliver to our experts.

Thank you.
